## WEDNESDAY WEEKLY WISDOM!

### "LEAD"

**The first person you lead is you.**

**A person who wants to lead an orchestra must turn their back on the crowd.**

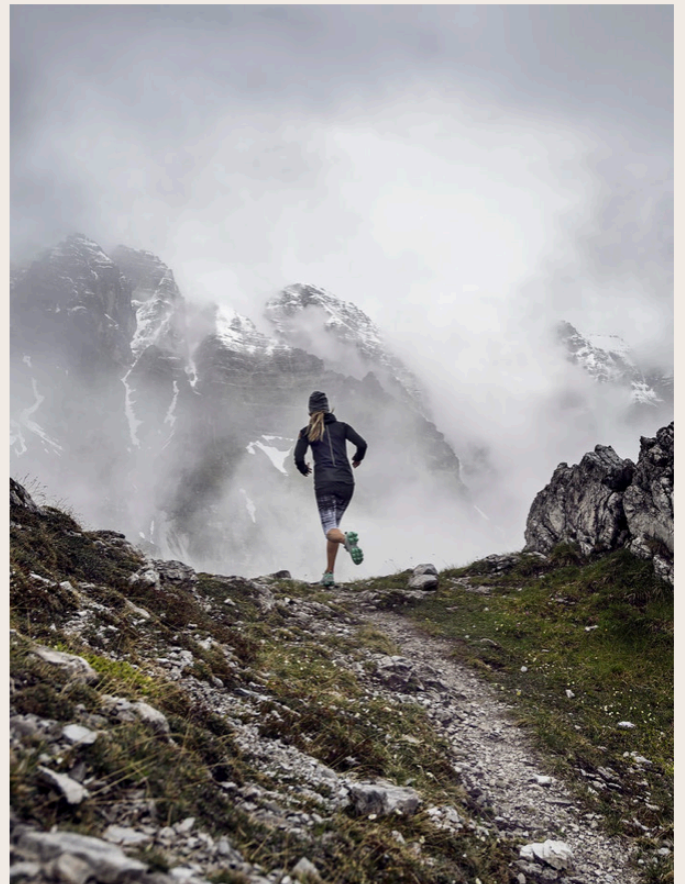

**Lead change or change will lead you.**

**Don't follow where the path may lead. Go instead where there is no path and leave a trail.**

**Lead from the back and let others believe they are in the front.**

**We cannot lead anyone further than we have been ourselves.**

**Greatness follows those who lead the way.**

**Being The Best And Average Have Nothing In Common**
