WEDNESDAY WEEKLY WISDOM!

"VALUE"

Value is more expensive than price.

The more we value things the less we value ourselves.

The major value in life is not what you get but what you become.

Until you value yourself, you won't value your time. Until you value your time, you will not do anything with it.

If your presence doesn't add value, your absence will not make a difference.

Open your arms to change but don't let go of your values.
