WEDNESDAY WEEKLY WISDOM!

"SHINE"

Rise and Shine!

Shine like the whole universe is yours.

The closer we get to being who we are meant to be...the brighter we shine.

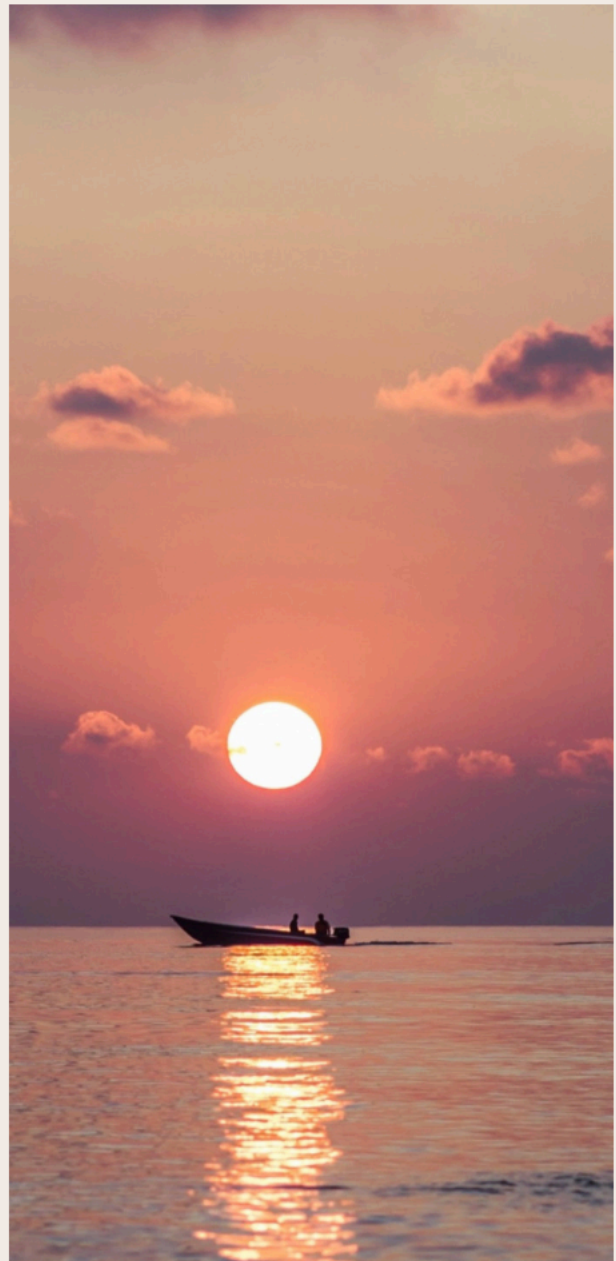

Nothing can dim the light that shines from within.

Stars can't shine without darkness.

Do not allow people to dim your shine because they are blinded. Tell them to put on some sun glasses.

To shine your brightest light is to be who you truly are.

When you shine, others will feel your brightness.
