WEDNESDAY WEEKLY WISDOM!

"TRUTH"

Truth exists; only falsehood has to be invented.

The truth will set you free, but first it will make you miserable.

Better to be slapped with the truth than be kissed with a lie.

The greatest advantage of speaking the truth is that you don't have to remember what you said.

People often claim to hunger for the truth, but seldom like the taste when it is served up.

Truth is not something outside to be discovered, it is something inside to be realized.

Be True to Yourself.
