WEDNESDAY WEEKLY WISDOM!

"GO"

Go with all your heart.

**Let come what comes, let go
what goes...see what remains.**

**Go for it now...the future is
promised to no one.**

**Let go and let the universe do its
thing.**

**When the heart understands, it
lets go of everything.**

Seize the day, then let it go.

**Go where your energy is
reciprocated.**

Go the extra mile.

Just go with the flow!
