## WEDNESDAY WEEKLY WISDOM! "BEYOND"

**Life is found beyond our  
doubts.**

**Unless we move beyond what's  
behind us, we cannot reach out  
to what lies in front of us.**

**Our faith can reach beyond the  
limits of reason.**

**Let go, many things are beyond  
our control.**

**Go beyond yourself rather than  
beyond others.**

**It's beyond imagination until  
you see it and experience it.**

**Once we accept our limits, we  
go beyond them.**

**Being The Best And Average Have Nothing In Common**
