WEDNESDAY WEEKLY WISDOM! "START"

You don't have to be great to start but you have to start to be great.

The start is what stops most people.

Start where you are. Use what you have. Do what you can.

The way to get ahead is to start now.

Start with what's right rather than what is acceptable.

The key to success is to start before you are ready.

Being The Best And Average Have Nothing In Common
