"WANT"

**You don't get what you want.
You get what you work for.**

**Once you stop looking for what
you want, you'll find what you
need.**

**Happiness is not about getting
all you want, it is about enjoying
all you have.**

**Obstacles come into our lives to
test how bad we truly want it.**

**Everything you want is on the
other side of fear.**

**Today is the opportunity to
build the tomorrow you want.**

**We cannot become what we
want by remaining what we are.**

**If you want a rainbow you have
to deal with the rain.**
