WEDNESDAY WEEKLY WISDOM! "RECHARGE"

**Recharge, relax and reflect.
Sometimes it's ok to do nothing.**

**What if we recharged ourselves
as often as we did our phones?**

**Take time to recharge and come
back stronger.**

**Nature: Where people go to
recharge.**

**Beast Mode...Relax, Recharge
and Repeat.**

**Today, pick your own pace and
your own path. We all need a
day to slow down, regroup and
Recharge.**

Being The Best And Average Have Nothing In Common
