

DCB STRATEGIES

Decide Commit Become

WEDNESDAY WEEKLY WISDOM!

"EXPECT"

Expect nothing and appreciate everything.

Peace begins when expectations end.

Expect more from yourself and less from others.

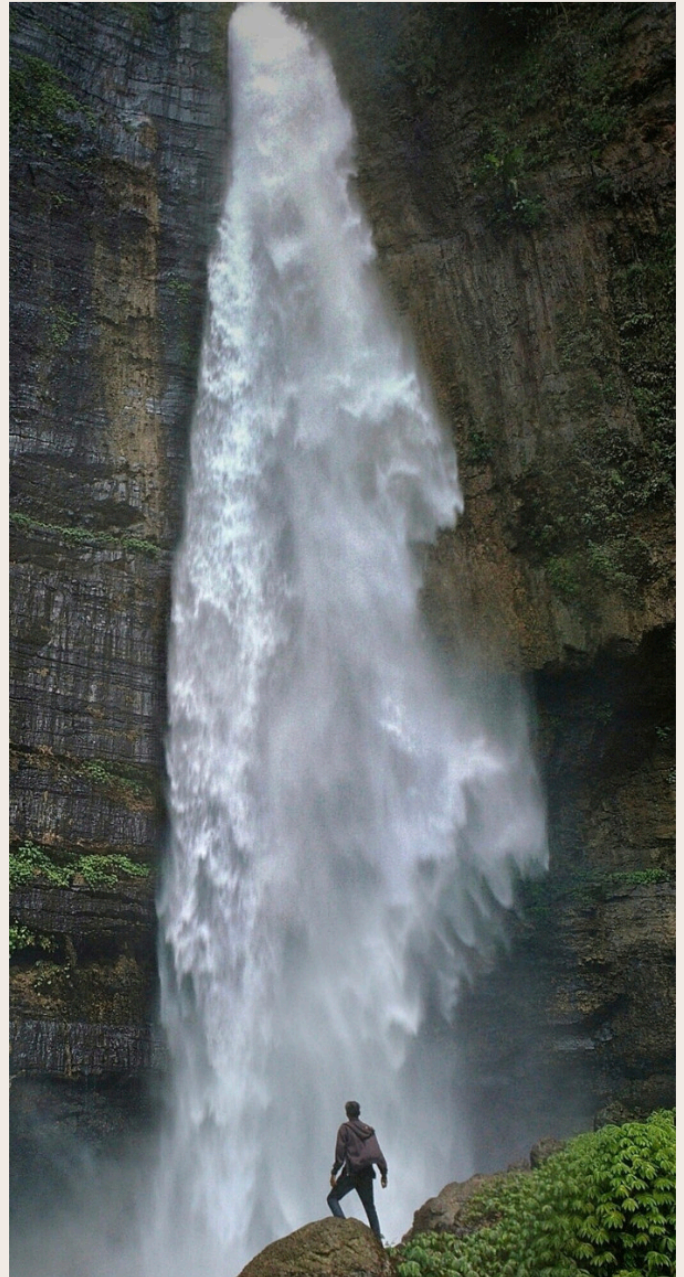

Do everything with a good heart and expect nothing in return.

You must expect great things of yourself before you can do them.

You can not expect a new result if you keep doing the same thing.

Whatever we expect with confidence becomes our own self-fulfilling prophecy.

Expect the unexpected.

Being The Best And Average Have Nothing In Common
