WEDNESDAY WEEKLY WISDOM!

"FINISH"

**Starting strong is good.
Finishing strong is epic.**

**The average can start, but the
best finish.**

**Resistance is greatest just before
you finish.**

**Without ambition one starts
nothing. Without work one
finishes nothing.**

**You are not finished when you
are tired. You are finished when
you are done.**

**No real person sees the finish
line and slows down.**

**Finishing things takes power,
but it makes you more powerful.**

Every day...Finish Strong!
