**When you reach the top, that's when the climb begins.**

**Your life is big. Keep reaching.**

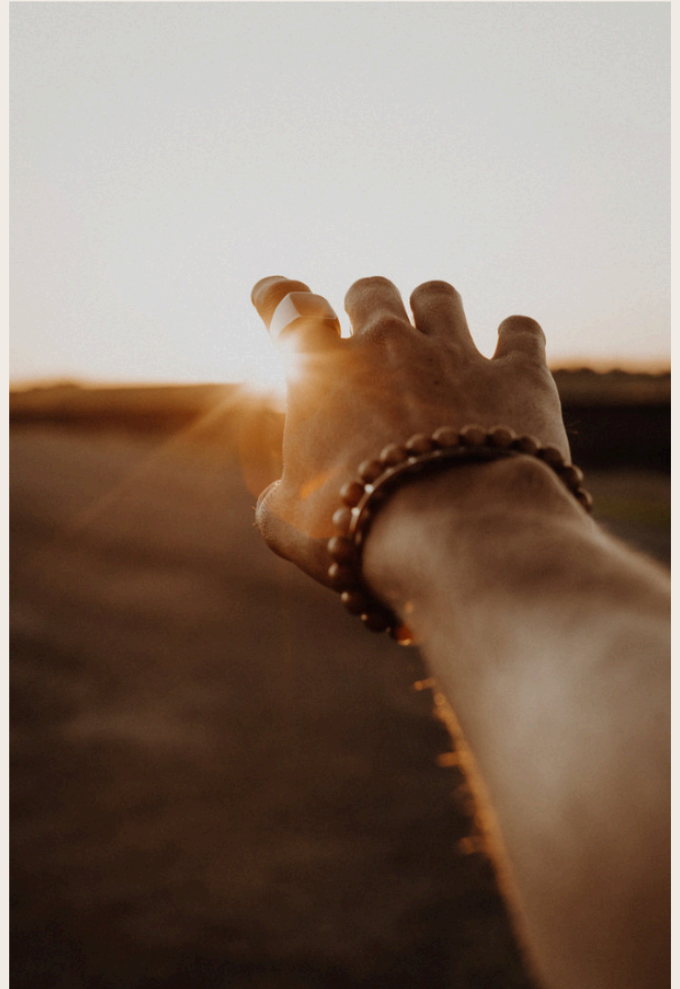

**Aim for the best then reach higher...the only way is up.**

**Everything you need is within reach. The key is whose going to reach.**

**A goal properly set is halfway reached.**

**You can't reach for anything new if your hands are still full of yesterday's junk.**

**Never stop taking risks. Just keep reaching.**
