WEDNESDAY WEEKLY WISDOM!

"HOME"

There is no place like home.

Home is where you are loved the most and act the worst.

A house is made of walls and beams. A home is built with love and dreams.

We shape our homes and then our homes shape us.

Home is a place you grow up wanting to leave and grow old wanting to get back.

A home is where my habits have a habitat.

Home is where stories unfold.

It's not how big the house is, it's about how happy the home is.

It's so good to be home :)
