WEDNESDAY WEEKLY WISDOM!

"LESS"

**Less focus on the future, more
on the present.**

**Once you need less you will have
more.**

**My goal is no longer to get more
done, but rather to have less to
do.**

**Never let the world define you
as less than great.**

**Less is more, unless it's
kindness, sleep or toilet paper.**

Talk less, do more.

Less worry...more smiles.

Think less...live more.

**Life gets better when you expect
less.**
