"FAIL"

**If you fail never give up because
FAIL means...**

First Attempt In Learning.

**Failure is not the opposite of
success it's part of success.**

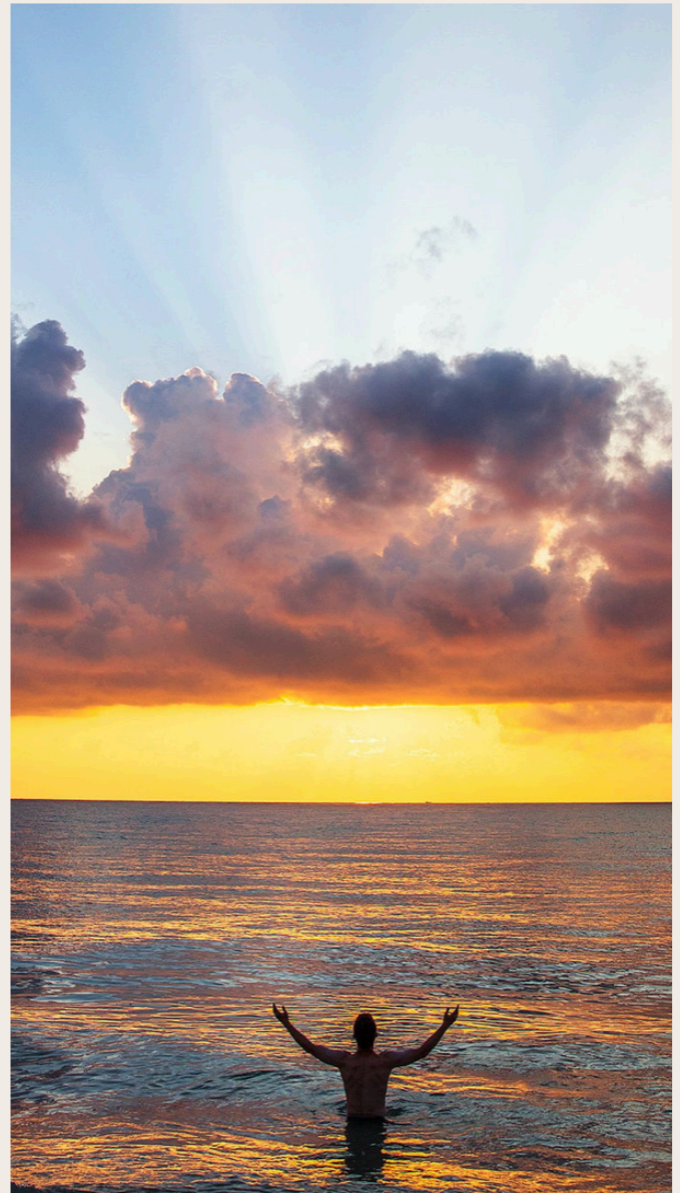

**Losers quit when they fail.
Winners fail until they succeed.**

**Failing is only the opportunity
to begin again more
intelligently.**

**I have not failed...I have found
1,000 ways that don't work.**

**You only fail when you stop
trying.**

**If you don't fail at least 90% of
the time you're not aiming high
enough.**
