

DCB STRATEGIES

Decide Commit Become

WEDNESDAY WEEKLY WISDOM!

"SUPPORT"

One of the greatest gifts a person can give another is support.

Surround yourself with people who will support you when it rains, not just when it shines.

Family...a group experience of love and support.

Sometimes there is no support system - it's just you and your grit.

Value those who support you with nothing to gain.

Supporting another's success won't ever dampen yours.

Being The Best And Average Have Nothing In Common
