WEDNESDAY WEEKLY WISDOM!

"START"

You don't have to be great to start, but you have to start to be great.

The start is what stops most people.

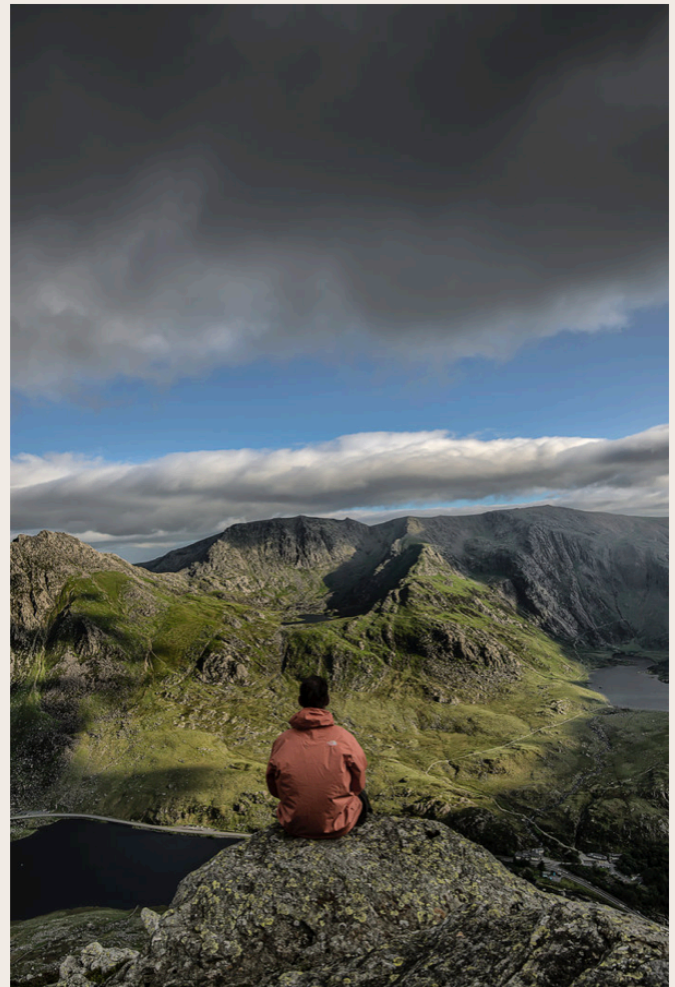

Dream big, start small, but most of all start.

Every day is a new beginning. Take a deep breath and start again.

Start with what's right rather than what's acceptable.

The key to success is to start before you are ready.

A year from now you will wish you had started today.
