

DCB STRATEGIES

Decide Commit Become

WEDNESDAY WEEKLY WISDOM!

"EASY"

**Nothing worth having comes
easy.**

**Do what is right not what is
easy.**

**What is easy won't last long and
what lasts long won't come easy.**

**If the road is easy, you are likely
going the wrong way.**

**It is easy to talk but harder to
fight.**

**When the why is clear, the how
is easy.**

**We do not grow when things are
easy.**

**If life was easy, where would all
the adventures be?**

Being The Best And Average Have Nothing In Common
