WEDNESDAY WEEKLY WISDOM!

"DREAM"

The future belongs to those who believe in the beauty of their dreams.

All our dreams can come true if we have the courage to pursue them.

Who looks outside, dreams; who looks inside, awakes.

If your dreams don't scare you they are too small.

Dreams are today's answers to tomorrow's questions.

The best way to make your dreams come true is to wake up.

Dream it then make it happen.

Follow your dreams, they know the way.
