## WEDNESDAY WEEKLY WISDOM!

### "VIEW"

**The best views come after the hardest climbs.**

**Nothing is beautiful from every point of view.**

**Don't look back unless it's a good view.**

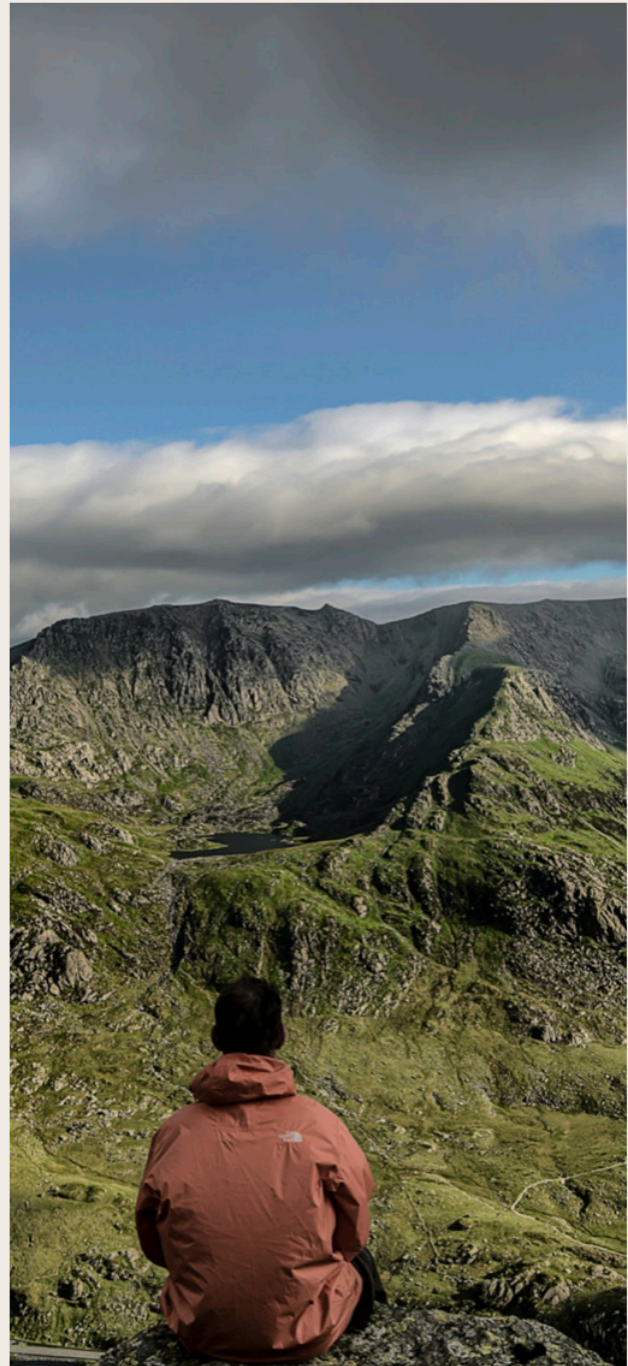

**The view outside the window can change your entire mood.**

**You have a choice about how you view it.**

**A desk is a dangerous place from which to view the world.**

**You can always learn a lot from people who view the world differently than you do.**

**I always have an optimistic view no matter what it is.**

**Being The Best And Average Have Nothing In Common**
