WEDNESDAY WEEKLY WISDOM!

"MISTAKE"

Mistakes have the power to turn you into something better than you were.

Mistakes are the portals of discovery.

Mistakes are part of the dues one pays for a full life.

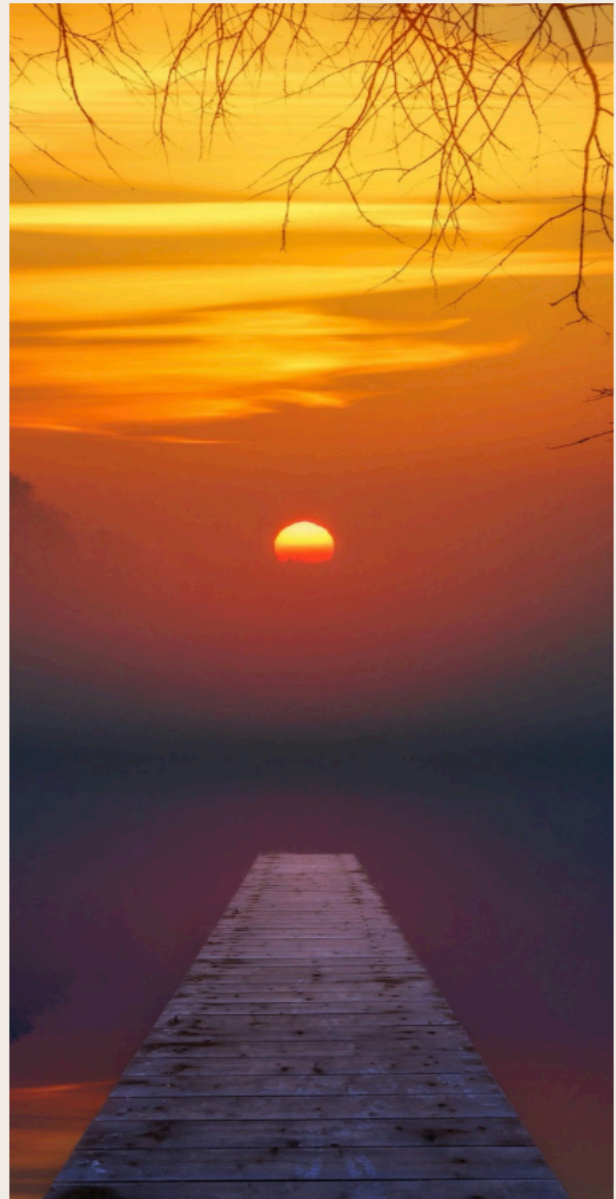

You make mistakes. Mistakes don't make you.

Mistakes that make you humble are better than achievements that make you arrogant.

Don't waste a good mistake, learn from it.

Mistakes are proof you are trying.

Our greatest lessons are from our worst mistakes!
