## WEDNESDAY WEEKLY WISDOM!

### "GAME"

**Play every game as if it's your last one.**

**Failure doesn't mean game over, it means try again with experience.**

**Life is more fun if you play games.**

**Learn the rules of the game, then play better than anyone.**

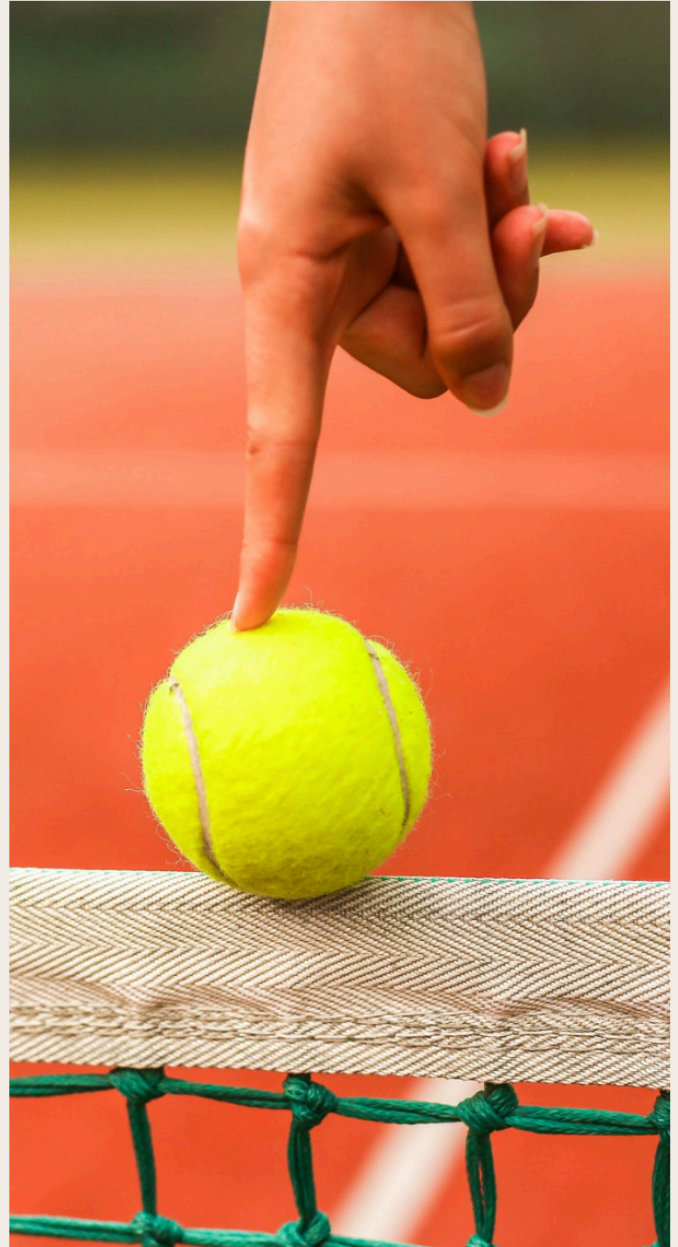

**Be a game changer. The world is already full of players.**

**Change the game, don't let the game change you.**

**Stay in the game if you desire to win.**

**Never change a winning game; always change a losing one.**

**Game on!**

**Being The Best And Average Have Nothing In Common**
