WEDNESDAY WEEKLY WISDOM!

"GOOD"

Good things happen to good people.

A bad system will beat a good person every time.

When you focus on the good the good gets better.

Being a “good person” is something you do not something you are.

It takes a great person to be a good listener.

The bad news is that time flies. The good news is that you are the pilot.

Do good and good will come to you.

No beauty shines brighter than that of a good heart.
