### "RUN"

**Run into your unknown.**

**Run hard and be nice to people.**

**Run the day before it runs you.**

**Run hard when it's hard to run.**

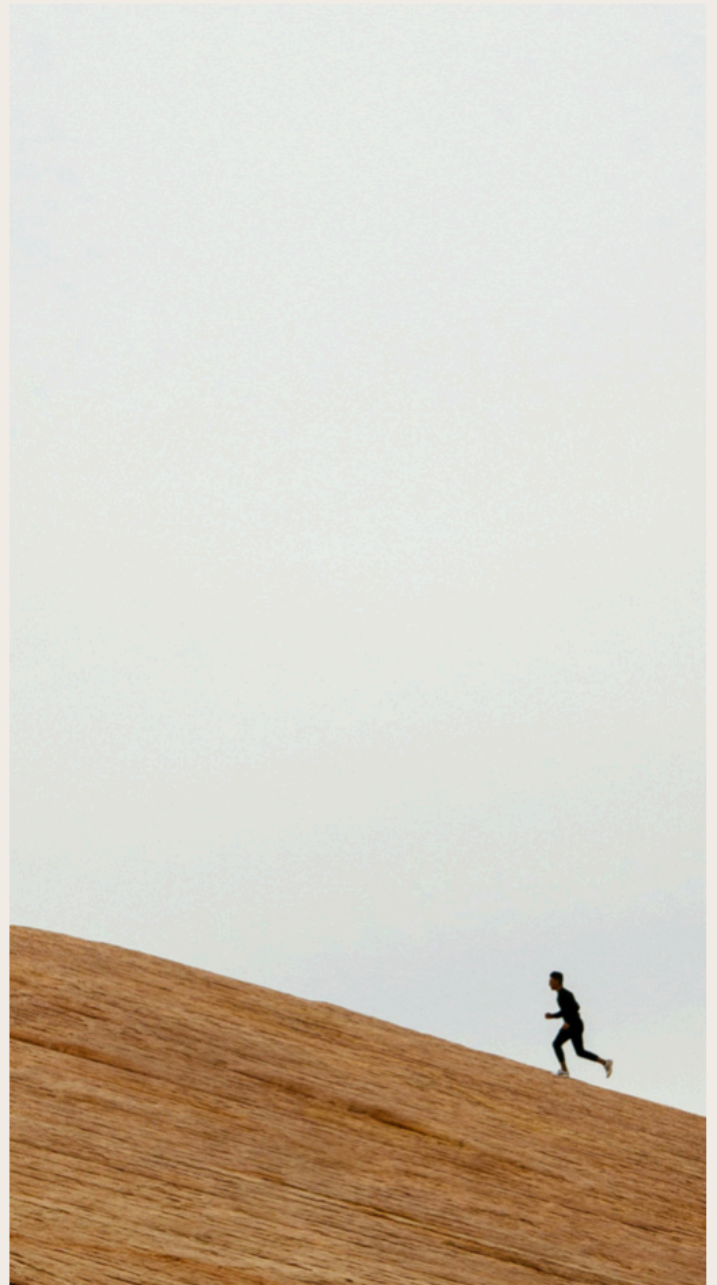

**Run your race & stop comparing  
yourself to others.**

**Don't let money run your life, let  
money help run your life better.**

**Say it before you run out of time.**

**Run hard...be strong...think big.**

**Don't run away from your  
problems...it's a race you'll never  
win.**
