## WEDNESDAY WEEKLY WISDOM!

"FUTURE"

**The future starts today, not tomorrow!**

**The best way to predict the future is to create it.**

**Inhale the future... exhale the past.**

**Do something today that your future self will thank you for.**

**Never let fear determine your future.**

**I look to the future because that is where I'm going to spend the rest of my life.**

**Our habits determine our future.**

**Your future needs you...your past doesn't.**

**Go for it now. The future is promised to no one!**

**Being The Best And Average Have Nothing In Common**
