WEDNESDAY WEEKLY WISDOM! **"DIFFERENT"**

They laugh at me because I am different; I laugh at them because they are all the same.

Every next level of your life will demand a different you.

In order to be irreplaceable one must always be different.

Don't be afraid of being different, be afraid of being the same as everyone else.

You are always one decision away from a totally different life.

If you desire to make a difference in the world you must be different from the world.

Dare to be different.
