WEDNESDAY WEEKLY WISDOM!
"PROGRESS"

Behold the turtle. He makes progress only when he sticks his neck out.

Progress is not inevitable. It is up to us to create it.

You have got to find a way to get out of your own way, so you can progress in life.

Progress lies not in enhancing what is, but in advancing toward what they will be.

Today's progress is determined by yesterday's choices.

Progress equals happiness.
