WEDNESDAY WEEKLY WISDOM! "FAMILY"

Family is not an important thing. It is everything.

Having somewhere to go is home. Having someone to love is family and having both is a blessing.

Family is the anchor that holds us through life's storms.

Families are like branches on a tree. We grow in different directions yet our roots remain as one.

The memories we make with our family is everything.

Family is the support you will never have to pay for because come rain, or shine, they will be there to cheer you on with every of your life goals.
