WEDNESDAY WEEKLY WISDOM!

"BRAIN"

The brain is a muscle that can move the world.

The Brain...just like a computer, make sure you are the only one programming it.

Fill your brain with giant dreams so it has no space for petty pursuits.

Humor is the most significant activity of the human brain.

Isn't it a paradox that we want the new version of everything, but we fear to change our mind?

Follow your heart but take the brain with you.

Give your brain some space and it will lead you farther than you initially suggested.

Being The Best And Average Have Nothing In Common
